- Don't forget that Exam II is scheduled for Wednesday, March 18, at 6:30pm (an earlier time than Exam I). Be sure to make any requests for accommodation *at least* a full week in advance.
- Remember that any appeals of grades for Exam I must be **written** and must follow the guidelines posted on the website and announced in class. In particular, be sure to provide a complete explanation of your appeal – including a careful written solution of the problem, explaining how this corresponds to your work. You need to take the time to show that you completely understand the problem if you expect to get any partial credit.
