

Math 148 Spring 2016 Homework One

January 30, 2016

Chapter 1 & 2:

Review Exercise : # 3, 4, 6, 8, 9, 10 on Page 24.

All the answers in Chapter 1&2 are required to be typed by computer.

Chapter 3:

Review Exercise: # 2, 10 on Page 50.

You may write the answers in Chapter 3 by hand but be sure to do the obvious such as using a ruler when drawing even short line segments.

Note: You will generally be asked to provide typed solutions whenever no strange mathematical symbols are required. Your TAs will talk about this during next week's discussion.
