

# Math 148 - Elementary Bio Stats

## Fall 2017 Homework 03

Exercises Ch.4 on p.101: Problems #26, #34

Exercises Ch.5 on p.134: Problems #14, #26, #40, #48

These are **NOT the review excercises** on p.141!

Exercises Ch.6 on p.173: Problems #14, #20, #24, #32, #40 (exclude (f))

Note that the page number references are taken from the instructor's edition and they may be slightly off.

**all answers to the textbook exercises must be typed by computer**, except that you may do drawings by hand (**use a ruler!**). Note though that it would be easier and faster to use a program like Excel or StatCrunch to create box plots, etc.
