Note that the page number references are taken from the instructor's edition and they may be slightly off.

all answers to the textbook exercises must be typed by computer, except that you may do drawings by hand (**use a ruler!**). Note though that it would be easier and faster to use a program like Excel or StatCrunch to create box plots, etc.

Note on DVB homework: Assignments MATH-148-CH-22, MATH-148-CH-23 have been published concurrently with this assignment. They will not be graded and their purpose is to provide you with additional opportunities for practicing.
