Note on SDM homework: You will find assignments **published in advance for the entire semester**
at the SDM (Pearson MyStatLab) website. They will not be graded and their purpose is to provide
you with additional opportunities for practicing. This is true in particular for the assignments
of ch.9, which is entirely about re–expression, a topic we do not address in this course. You are
encouraged to do enough of the problems to become sufficiently familiar with the use of statistical
software.
